Soft Skills

- 1.Collaborative team player with effective communication skills
- 2.Analytical and problem-solving abilities
- 3.Time management and organizational skills.

Projects:

1. E-commerce Web Application

Technologies: React, React Router, JavaScript, Tailwind CSS, Vite

Description:

Built a responsive single-page eCommerce app featuring dynamic product listing, detailed views with React Router, and interactive cart functionality. Users can add items, adjust quantities, and view discounts in real-time. Tailwind CSS ensures a sleek design, while Vite enables fast loading and efficient development.

2. Clockify Timer App

Technologies: React, Tailwind CSS, JavaScript, Chart.js, Vite

Description:

Developed a task-tracking app with start/stop timers, task completion tracking, and data visualization using Chart.js. The app features a responsive UI, persistent data, and an interactive report section for analyzing completed tasks, inspired by Clockify. Vite enhances app performance and development speed.

Certifications:

1.Full-Stack Mern Developer[GUVI GEEK NETWORK PRIVATE LIMITED IIT Madras]

2.UX/UI Designer [Leadpro Infotech,Coimbatore]

3.DIGITAL SKILLS: [USER EXPERIENCE- Issued By Accenture]
